All personal information that you provide to us must be true, complete and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit or use WeTunes.

We automatically collect certain information when you visit, use or navigate WeTunes. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our and other technical information. This information is primarily needed to maintain the security and operation of our application, and for our internal analytics and reporting purposes. Like many businesses, we also collect information through cookies and similar technologies.

2. WILL YOUR INFORMATION BE SHARED WITH ANYONE?

In Short: We only share information with your consent, to comply with laws, to provide you with services, to protect your rights, or to fulfill business obligations.

We may need to process your data or share your personal information in the following situations:

- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **Affiliates.** We may share your information with our affiliates, in which case we will require those affiliates to honor this privacy notice. Affiliates include (as may be applicable) our parent company and any subsidiaries, joint venture partners, or other companies that we control or that are under common control with us.
- **Business Partners.** We may share your information with our business partners to offer you certain products, services, or promotions.
- **Other Users.** When you share personal information or otherwise interact with public or organizational areas of WeTunes, such personal information may be viewed by other users and may be publicly made available outside WeTunes in perpetuity. If you interact with other users of WeTunes and register for WeTunes through a social network (such as Facebook), your contacts on the social network may see your name, profile photo, and descriptions of your activity. Similarly, other users will be able to view descriptions of your activity, communicate with you within our application, and view your profile.

3. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

***In Short:** We may use cookies and other tracking technologies to collect and store your information.*

We may use cookies and similar tracking technologies (like web beacons and pixels) to access or store information. Please contact us using the contact information provided below if you would like to learn more about how WeTunes uses cookies and other tracking technologies.

4. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

***In Short:** If you choose to register or log in to our services using a social media account, we may have access to certain information about you.*

WeTunes may provide you the ability to register and login using your third-party social media account details (like your Facebook or Twitter logins). Where you choose to do this, we will receive certain profile information about you from your social media provider. The profile information we receive may vary depending on the social media provider concerned, but will often include your name, email address, friends list, profile picture as well as other information you choose to make public on such social media platform.

We will use the information we receive only for the purposes that are described in this privacy notice or that are otherwise made clear by use of WeTunes. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider. We recommend that you review their privacy notice to understand how they collect, use, and share your personal information, and how you can set your privacy preferences on their sites and apps.

5. IS YOUR INFORMATION TRANSFERRED INTERNATIONALLY?

***In Short:** We may transfer, store, and process your information in countries other than your own.*

Our servers are located in the United States. If you are accessing our application from outside the United States, please be aware that your information may be transferred to, stored, and processed by us in our servers and by those third parties with whom we may share your personal information (see "[WILL YOUR INFORMATION BE SHARED WITH ANYONE?](#)" above).

6. HOW LONG DO WE KEEP YOUR INFORMATION?

***In Short:** We keep your information for as long as necessary to fulfill the purposes outlined in this privacy notice unless otherwise required by law.*

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal requirements).

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

7. WHAT ARE YOUR PRIVACY RIGHTS?

***In Short:** You may review, change, or terminate your account at any time.*

Account Information

If you would at any time like to review or change the information in your account or terminate your account, please email us using the contact information provided below.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our Terms of Use and/or comply with applicable legal requirements.

Opting out of email marketing: As may be applicable, you can unsubscribe from our marketing email list at any time by clicking on the unsubscribe link in the emails that we send or by contacting us using the details provided below. You will then be removed from the marketing email list — however, we may still communicate with you, for example to send you service-related emails that are necessary for the administration and use of your account, to respond to service requests, or for other non-marketing purposes.

8. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice via a revised version of this privacy notice.

9. DO CALIFORNIA RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

In Short: Yes, if you are a resident of California, you are granted specific rights regarding access to your personal information.

California Civil Code Section 1798.83, also known as the "Shine The Light" law, permits our users who are California residents to request and obtain from us, once a year and free of charge, information about categories of personal information (if any) we disclosed to third parties for direct marketing purposes and the names and addresses of all third parties with which we shared personal information in the immediately preceding calendar year. If you are a California resident and would like to make such a request, please submit your request in writing to us using the contact information provided below.

If you are under 18 years of age, reside in California, and have a registered account with us, you have the right to request removal of unwanted data that you publicly post on WeTunes. To request removal of such data, please contact us using the contact information provided below, and include the email address associated with your account and a statement that you reside in California. In Short: Yes, we will update this notice as necessary to stay compliant with relevant laws.

We may update this privacy notice from time to time. The updated version will be indicated by an updated date and the updated version will be effective as soon as it is accessible on our website. We encourage you to review this privacy notice frequently to be informed of how we are protecting your information.
